

MCGUIGAN WINES

Bin 7000 Chardonnay 2010

REGION Hunter Valley, New South Wales

COLOUR Pale gold

AROMA A powerful, fruit-driven wine exhibiting the classic chardonnay characters of tropical fruit as well as some citrus overtones and slight oak influence.

PALATE This chardonnay exhibits the rich flavours of tropical fruit and citrus. It is a medium-bodied wine with a creamy mouth-feel along with fresh crisp finish and persistence.

FOOD Chardonnay is a wonderful food wine that is suited to a wide range of food styles including creamy pasta dishes, grilled fish and chicken casserole.

NOTES The Hunter Valley is Australia's oldest wine growing region and its alluvial flats produce rich full flavoured wines of which this chardonnay is a great example. The grapes were picked from our Hunter Valley vineyards and gently pressed using air bags. The juice was then partially clarified before fermentation in French oak barrels which deliver a lovely buttery oak influence.

CELLAR An enjoyable white wine with a fresh crisp finish, which can be enjoyed now or carefully stored for rewarding drinking over the next 5 years.

TECH Alc 13.5%
