

MCGUIGAN WINES

Bin 8000 Sauvignon Blanc 2011

REGION Adelaide, South Australia

COLOUR Light sunshine

AROMA Gooseberry aromas are at the forefront of this Sauvignon Blanc nicely infused with citrus characters.

PALATE This is a luscious and refreshing Sauvignon Blanc. It has charming fresh tropical fruit flavours and is nicely balanced with a crisp, fresh citrus finish.

FOOD A great accompaniment to dishes such as herb crusted chicken salad and grilled garlic prawns.

NOTES The cool ripening season in Adelaide helps to deliver a refreshing wine with a clean, crisp finish.

We picked the grapes for this refreshing wine in the cool of the night to ensure the true varietal characters were retained. The juice was kept at cool temperatures throughout the winemaking process to ensure the wine remained crisp and fresh. Minimal wine maker input was required to deliver a classic Australian Sauvignon Blanc with a clean crisp finish.

TECH Alc 11.5%
