

# MCGUIGAN WINES

## McGuigan Sparkling Pinot Grigio 2010

**COLOUR** Light transparent ruby

**AROMA** A perfumed aroma of pear and citrus stand out with a delightful floral character to the nose.

**PALATE** A contemporary sparkling wine featuring pear and passionfruit with a delicate rose water influence. Fine beads deliver these flavours throughout the mouth and add to the length of the wine. A crisp, citrus finish completes the wine giving it a wonderfully refreshing conclusion.

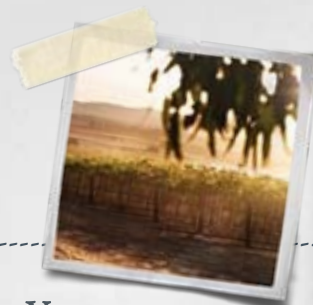

**FOOD** The ideal drink for an aperitif, with lighter style dishes or to celebrate any occasion.

**NOTES** Pinot Grigio is closely related to the Pinot Noir grape that is an essential ingredient in making Champagne as it helps provide great length and gives the wine good structure. Pinot Grigio also displays these characteristics meaning it has all the attributes to making a great sparkling wine.

This wine was left in contact with the grape skins for a short period of time so that an inviting pink hue is evident. Combine this with a delicate bead and you not only have an attractive sparkling but also one that is designed to suit the tastes of the wine drinker today.

**TECH** ALC 12.5%

RRP \$18.99
