## Discover 2010 Pinot Grigio

REGION Victoria

COLOUR Light golden yellow

AROMA A delicate floral nose is a feature with nuances of passionfruit and pear.

PALATE A supple full-bodied wine with rich fruit flavours and warm mouth feel. Tropical fruit flavours and a refreshing citrus finish give the wine both complexity and balance.

FOOD This vibrant wine is the perfect partner to al fresco dining, grilled chicken, fish, sushi or Thai.

NOTES Also known as Pinot Gris in France and nicknamed the "Grey Monk" due to the grey colour of the grapes on the vine, Pinot Grigio is one of the most popular styles in Italy.

A great style taking the crisp freshness of the Italian Pinot Grigio and the flavour and texture of a French style Pinot Gris. The best of both styles it is sourced from our Del Rios (two rivers) vineyard in Victoria. The fruit was gently pressed using airbag presses and the resulting free fun juice was then chilled to 4 degrees and filtered before fermentation. Post fermentation the wine was cold stabilised and lightly fined before being cold filtered ready for bottling.
