

MCGUIGAN WINES

McGuigan 2011 The Semillon Blanc

COLOUR Light pale gold with vibrant green hues.

AROMA Lively aromatics of fresh citrus with a delightful rich, floral perfume.

PALATE A revolutionary new wine style that is fresh, crisp and lively. It is packed full of delicious fruit flavours that linger nicely on the palate and are complemented with a zippy, citrus finish.

FOOD The Semillon Blanc is an ideal wine with fresh seafood, light pasta, salads and Asian style dishes or simply as a refreshing treat on its own.

NOTES Semillon like you have never seen it before! Semillon is an amazingly versatile wine and when Neil McGuigan was challenged what was the next big thing to come out of Australia, The Semillon Blanc was born. This wine is a new millennium white burgundy style, approachable with a sexy twist. Specific winemaking techniques have been used to soften the style and produce the next generation of aromatic white wine with a floral lift on the nose, a full flavoured body and perfect zesty finish.

CELLAR An enjoyable white wine with a fresh crisp finish, which is made to be enjoyed fresh and young.

TECH Alc 11.5% RS 7.0g/L pH 3.3
