RESIDUAL SUGAR: 91g/L

CELLAR SELECT

MOSCATO 2020

A range of wines that are exclusive to the Cellar Door in the Hunter Valley.

VINTAGE CONDITIONS

The 2020 Vintage was noted for one of the most severe droughts in recent times. This was coupled with the extremes of hot weather and in many areas there was fire causing issues. The yields this year were on the low side, but this resulted in the fruit having concentrated aromatics.

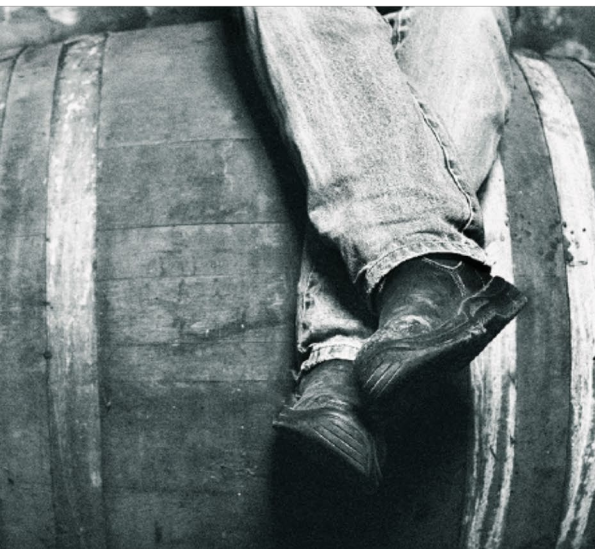

WINEMAKING

The fruit was harvested in the cool of the night and transported to our Hunter Valley Winery. The grapes were processed with the absolute minimum of skin contact to reduce colour extraction. The juice was immediately clarified and inoculated with the classical yeast strain DV10. The wine received a light fining with casein and was held at low temperature prior to filtration and bottling.

TASTING NOTES

Pale salmon in colour, our Cellar Select Moscato has a lifted rose petal, orange blossom. A fruit driven medium bodied wine with soft acid line coupled to natural grape sugars. The intense berry fruit flavours are complimented by intense Muscat fruit flavour.

This wine pairs well with a range of dishes including light salads, seafood or a plate of antipasto.
