

# Because... you were curious

 MCGUIGAN  
ZERO

JUST BECAUSE.

## CHARDONNAY

Free from alcohol, full in flavour, the McGuigan Zero range is a contemporary alcohol-free range that allows you to enjoy wine without the alcohol. The flavour profile and characteristics of each variety are as you would expect, proving that you don't need alcohol to enjoy a full-flavoured experience in the glass. Perfect for any occasion where you want to enjoy wine without the alcohol.

## WINEMAKING

With our dedicated winemakers overseeing our Alcohol Free Wine programme, we have had 15+ years experience in Low/No alcohol wine production. Making alcohol free wine starts with our winemakers crafting the correct style and quality of wine required to produce the best alcohol free wine possible. After fermentation, we use the latest spinning cone technology, working at low temperatures to gently remove the alcohol, ensuring the wines maintain their delicate fruit flavours. Our wines are all grape derived, with no artificial sweeteners or additives used in the process, ensuring our alcohol free wines is of the highest quality possible.

## TASTING NOTES

Attractive aromas of white peach combines with subtle influences of vanilla and oak. The palate is driven by stone fruit and honey melon flavours with toasty oak ensuring a well rounded generous finish.
