ALCOHOL: 13.1%

PH: 3.08

ACIDITY: 7.2g/L

RESIDUAL SUGAR: 8.5g/L

CELLAR SELECT

SAUVIGNON BLANC 2021

A range of wines that are exclusive to the Cellar Door in the Hunter Valley.

VINTAGE CONDITIONS

The 2021 growing season was generally cool with plentiful rainfall, with the actual harvest period being benevolent warm dry conditions with little disease pressure. Fruit was intensely flavoured at harvest and this has contributed to powerful wines

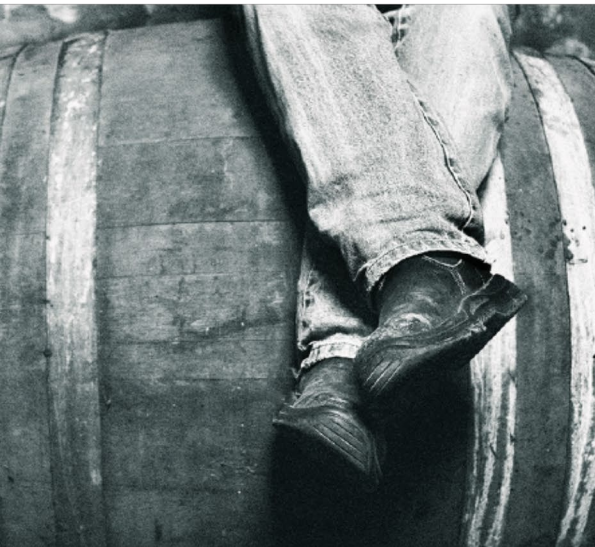

WINEMAKING

The fruit was harvested in the cool of the night and transported to the Hunter Valley winery where the grapes were crushed and pressed into stainless steel tanks where it was then cold fermented before receiving a light fining and being bottled.

TASTING NOTES

This Sauvignon Blanc is a balanced wine exhibiting the typical Hills with strong nettle and gooseberry characters. Some citrus lime also apparent. On the palate, a full bodied wine with oodles of nashi pear fruit flavour.

The clean, crisp characters of Sauvignon Blanc make it a perfect accompaniment to lighter style dishes particularly seafood and fresh pasta.
